INTRODUCTION / OBJECTIVES

Employment is akin to a Proprietary Right and is one of the core Fundamental Liberties for an individual. It is therefore pertinent to ensure fairness in finding the truth to the charges of misconduct imposed on an Employee. Hence, a Domestic Inquiry is carried out to achieve this. The validity and accuracy of a Domestic Inquiry can only be achieved if the conduct of the Domestic Inquiry adheres at all stages to the principle of Natural Justice. The principle of Natural Justice are two fold ie “audi alteram partem and nemo iudex in causa sua”. The Terminal Objective of this Seminar is to prepare participants with the knowledge on the practical aspects of the proper conduct of a Domestic Inquiry. Having attended this Seminar, the participants will be able to conduct the Domestic Inquiry in accordance to the Best Practices of Industrial Relations and the Law.
